Arrival:-

- 1) Parents should park responsibly within the club or neighbouring “Sanctuary of Healing” car park, ensuring they allow fellow motorists room to park and leave safely.
- 2) Home parents are requested to follow club guidance and park only in the top area of the neighbouring “Sanctuary of Healing” car park, leaving the club car park available for those visiting the club.
- 3) Away parents may also park in the top area of the “Sanctuary of Healing” car park only. The club has permission to use this area only as a relief car park. Vehicles parked elsewhere in the bottom two areas of the car park or along the access road into the Rydings (which must be kept clear at all times) will be asked to move and park within the guidelines mentioned above.
- 4) Your manager will provide you with the time you are asked to arrive at the ground and typically this will be no earlier than 15 minutes prior to the kick off time of your game.
- 5) Due to the number of games to be played on any one day, a strict timeline for arrival and departure must be followed to ensure there is no congestion between games, and the safe arrival / departure of everyone.

Note - Anyone arriving unduly early for a game will be asked to wait in their vehicle until the home team manager gives clearance for the match day procedures to commence.

- 6) Players should come to matches ready changed in match kit, with appropriate footwear, shin pads, drink and individual hand sanitiser.

Prior to the Game:-

- 1) The home team manager will sanitise the goalposts once they are initially set up on the pitch. Where practical the crossbars on 12ft x 6ft goals, and 16ft x 7ft goals will be sanitised too but those on 24ft x 8ft goals will not be sanitised as the risk for anyone touching these is minimal.
- 2) Corner flags will be sanitised when put out on the pitch.
- 3) Each team manager will be responsible for ensuring sanitising the hands of all the players within their squad on arrival onto the pitch is carried out.
- 4) Two match balls will be provided by the home team and these will be sanitised prior to kicking off the match.
- 5) Players will warm up distancing themselves from each other.
- 6) Each manager will provide 50% of the referee’s match fee in a sealed pre-prepared envelope and hand this to the referee prior to the game.

Note - Due to a shortage of match officials the league cannot guarantee each game has a referee. Where one isn’t appointed for your game, the home team will arrange who will referee the game and the individual appointed will be required to referee the whole game.

The Game:-

- 1) Games will be split into 4 quarters whilst the Covid-19 pandemic continues.
- 2) At the break in each half, half time, and full time all players and coaches are required to sanitise their hands. Each team manager will administer this.
